

## EHERO Congress 'Advances in Happiness Economics'

Rotterdam, 28 & 29 October 2013

Research center [EHERO](#) (Erasmus Happiness Economics Research Organisation) organizes a congress titled 'Advances in Happiness Economics' on 28 and 29 October 2013. The congress offers developments in happiness research from three different perspectives: Economics, Philosophy, and Health Economics. Researchers from internationally renowned universities will present their latest research findings. The congress starts on Monday with a plenary session with Alois Stutzer (Basel), Ronnie Schöb (FU Berlin), and Eric Angner (George Mason). During the remainder of Monday and on Tuesday there will be 3 different workshops.

### Workshop 'The Causes and Consequences of Happiness'

#### Call for papers

This workshop will bring together a group of economists to present and discuss work in progress on the causes and consequences of happiness. Priority will be given to papers with a credible research design that allows for the identification of causal effects. 12 papers will be presented over two days (30 minutes paper presentation, 5 minutes discussant, 10 minutes general discussion per paper). Each paper presenter will serve as discussant of one paper. The conference will comprise both invited and contributed papers. Confirmed speakers so far include Nick Powdthavee (LSE), Ghazala Azmat (QMU London), and Ronnie Schöb (FU Berlin).

Paper submission procedure:

A paper or extended abstract should be sent by e-mail to Robert Dur ([dur@ese.eur.nl](mailto:dur@ese.eur.nl)). The deadline for submission is 15 September 2013. Decisions will be taken before 22 September 2013. We will provide accommodation and reimburse economy travel costs for paper presenters.

The congress website is here: <http://www.eur.nl/english/ehero/congress/>

If you would like to participate without presenting a paper, please register at: <http://www.eur.nl/english/ehero/congress/register/> Participation is free, but space is limited.
